RE: ANNUAL REPORT OF SPENT LEAD-ACID BATTERIES (WHOLE) "SLABS". EXPORTED DURING "2016" –
FED ID # 20-2714153.

ATTENTION: SCOTT NELSON

DEAR SIR:

Our company Cantu Brothers Enterprises Inc., has exported Spent Lead Acid Batteries "SLABS" TO Mexico during the year 2016 and are filing our Annual Report as follows.

I am aware that there have been many changes in the process of reporting in to E.P.A. and I have tried to comply in the NEW CDX – WIETS SYSTEM TO REPORT THE 2016 ANNUAL REPORT with no-luck. I have requested help through different E.P.A. personnel without any luck, so as to comply with this annual report, I am sending it through different vias like fax, U. S Mail, and also by E-mail, so as to comply with the Acknowledgement of Consent of April 28, 2016.

There has been an effort on my part to send this report via CDX-WIETS, but it does not permit me to Make to make the entries, so since I need to send, I will send in the previous form, while you acknowledge this defect in the CDX WIETS SYSTEM and help me report in the new manner. I will more than gladly resend as soon as the system will permit me.

Attached, please find the following sheets, containing the following information.

- The Exporter information – duly signed
- Exports to foreign site and Transport List.

Also, please find the Annual Report of SLABS FOR 2016 AS A NORMAL REPORT. All the back-up is also available upon request

**TOTAL AMOUNT OF "SLABS" EXPORTED DURING 2016: 1,802.613 Metric Tons in 46 crossings
equivalent to 92 trailerloads, which are listed on the following page.**
